

SURFACE (MATS) CLEANING, DISINFECTING & PROTECTING

MicroArmor's three pronged approach includes surfaces (mats), skin and clothing/equipment. By providing the elimination and protection against future exposures, our EPA Registered products safely, quickly and cost effectively eliminate the microbials; while the mat coating reduces future potential exposures.

Premium strength one step disinfectant and true all purpose cleaner that cuts dirt, and bio slimes. EPA Registered Disinfectant that is a Fungicide, Bactericide, Virucide, Mildewstate and Deodorizer. Our proprietary blend of plant derived, quaternary compounds are non-toxic, non-corrosive (non-acid) and phosphate free.

Product Sizes: 32 oz., 1 gallon, and 5 gallon pail.

Can be purchased in a Ready to Use formulation (RTU) or a Concentrate. One gallon of concentrate makes 64 finished gallons.
